## Redefine Your Workspace with Complete Office Furniture Solutions

The workplace has changed and office furniture must transform with it. Creating workstations, office desks, training room desks and chairs, Lifan Office Furniture by Leadcom is stepping ahead of the change with furniture that redefines the way in which people work. Everything we do is driven by what you need and how innovation can make a very real difference to your workforce.

Our cutting-edge research, design and manufacturing facilities create workplace solutions that reflect the demands of the modern workplace – for spaces that foster inspiration, encourage collaboration and drive productivity. Our quality control processes are unrelenting – involving stringent testing, re-testing, and testing all over again, leading to robust, versatile, yet affordable, furniture products.

With over 25 years of technical experience combined with a full understanding of the market we constantly aim to meet customer demands and provide the high-quality end-user experience required.

Clamp Mounting

## Z-5

- \* Mounts CPU horizontally under desk
- \* Slide-Extension
- \* Black or silver available
- \* Holds up to 30kgs
- \* Extends front & backwards,  $\pm 150\text{mm}$  and swivels  $360^\circ$
- \* Height adjustable,  $\pm 150\text{mm}$
- \* Knocked-down design

## Z-1

Material: Imported ABS engineering plastic  
 Specification(cm): 31x(15-25)x14cm  
 Width adjustable: From 15cm to 25cm  
 Color available: gray-white or black

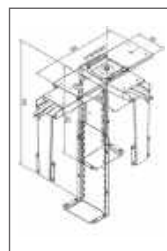

## Z-2

Material: Imported ABS engineering plastic  
 Specification(cm): 32x(15-25)x15cm  
 Width adjustable: From 15cm to 25cm  
 Color available: gray-white or black

## Z-14

- \* Mounts CPU horizontally under desk
- \* Slide-Extension
- \* Color: Silver
- \* Holds up to 30kgs
- \* Extends  $\pm 200\text{mm}$  front & backwards and swivels  $360^\circ$
- \* Height adjustable,  $\pm 200\text{mm}$
- \* Knocked-down design

## Z-16

- \* Mounts CPU horizontally under desk
- \* Slide-Extension
- \* Silver or semi-gloss white
- \* Holds up to 30kgs
- \* Extends front & backwards,  $\pm 150\text{mm}$  and swivels  $360^\circ$
- \* Height adjustable,  $\pm 150\text{mm}$
- \* Knocked-down design

## Z-3

Material: 1.5mm cold rolled steel  
 Specification(cm): 32x(18.5-24.5)x15cm  
 Width adjustable: From 18.5cm to 24.5cm  
 Color available: Silver-gray or black

## Z-4

Material: 1.2mm cold rolled steel and fireproofing board  
 Specification(cm): 45x22x20cm  
 Color available: Silver-gray or black

# Keyboard Tray

## K-1

Material: Imported ABS or PP  
Spec(mm): 550x260x30mm  
Color available: Gray-white or Black  
Ball bearing slide track  
D track : L356xW27mm  
B/H track : L356xW35mm

## K-2

Material: Imported ABS or PP  
Spec(mm): 570x270x40mm  
Color available: Gray-white or Black  
Ball bearing slide track  
D track: L356xW27mm  
B/H track: L356xW35mm

## KB-02

Material: Imported PP  
Spec(mm): 520x260x30mm  
Color available: Gray-white or black  
Ball bearing slide track  
F track : L305xW27mm

## KB-03

Material: Imported PP  
Spec(mm): 500x230x30mm  
Color available: Gray-white or black  
Ball bearing slide track  
S track: L305xW27mm

## K-9PS

Material: Imported ABS engineering plastic  
Spec(mm): 550x270x30mm  
Color available: Gray-white or Black  
Ball bearing slide track  
F track : L305xW27mm

## K-10

Material: Super 2.00mm cold rolled steel  
Spec(mm): 570x270x40mm  
Color available: Gray-white or Black  
Ball bearing slide track  
T track: L380xW27mm
